

# WORLD CONFERENCE FOR INSPECTION & MAINTENANCE ROBOTICS 2022

March 29-30, 2022

InterContinental Singapore & virtual

**LEADING GLOBAL CONFERENCE  
DEDICATED TO INSPECTION &  
MAINTENANCE ROBOTICS**

The **SPRINT Robotics World Conference for Inspection & Maintenance Robotics 2022** is an industry-specific event to endorse the large-scale application of robotics for Inspection and Maintenance. The two-day program includes international speakers, networking opportunities and an in-person and virtual exhibition showcasing and demonstrating robotic solutions from service and technology providers from the industrial inspection, maintenance and cleaning domain.

Exhibiting is an excellent opportunity to showcase your solutions, drive and generate leads, and gain large scale access to your target market. The SPRINT Robotics World Conference for Inspection & Maintenance Robotics attracts asset owners and operators, decision makers and thought leaders in robotics for Inspection & Maintenance.

## Leading global conference dedicated to I&M robotics

**2-Day**

In-Person & Virtual event

**400+**

Delegates

**50+**

International speakers

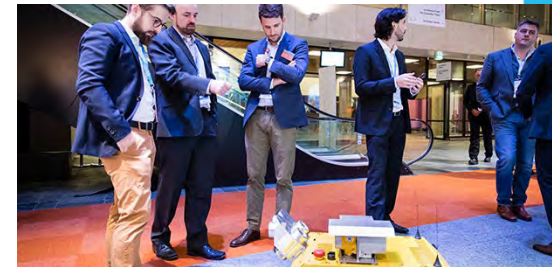

**40+**

Exhibition booths in  
Singapore\*

\* unlimited exhibition booths online

## WHY EXHIBIT

- Showcase your solutions to drive leads
- Increase brand awareness
- Gain large scale access to your target market
- Strengthen customer relations
- Global brand networking and knowledge exchange
- Generate new leads with virtual booth exposure
- Access to valuable post-event data
- Messaging and live chat tools

Make sure to book early so that you may secure your booth or tabletop package! There is limited space at the 2022 edition of the exhibition (Standard Booths – maximum of 31 available; Tabletops – maximum of 10 available). Allocation of booths and tabletops is on a first-come, first-served basis. Please note that Sponsors have priority to select a preferred booth or tabletop location (Platinum first, Gold second) until December 10, 2021; the booth and tabletop allocation for Exhibitors will begin on December 15, 2021.

# INDUSTRIES

The conference and exhibition will focus on the use of robotics for Inspection, Maintenance & Cleaning in the following domains:

- Oil & Gas
- Clean Energy
- Nuclear
- Energy Distribution
- Petrochemical
- Chemical
- Water Infrastructure
- Manufacturing & Process Industry
- Public Infrastructure
- Space & Aerospace

**IN-PERSON EXHIBITOR**

All exhibitors that book a booth in-person in Singapore also receive all benefits of the Virtual Exhibitor Package.

**Tabletop Package**  
(maximum 10 available)

- One table, two chairs
- Power connection
- 5-minute company presentation
- One (1) Exhibition Pass
- Delegate Package
- Company Conference Pass Available
- Listed as Exhibitors in event program and conference website
- All benefits of the Virtual Exhibitor Package

SPRINT Robotics members: **US\$1,200**

Non-SPRINT Robotics members: **US\$2,400**

**Standard Booth Package**  
(maximum 31 available)

- Floor space 6m2, booth structure
- One table, two chairs
- Light and power connection
- 5-minute company presentation
- Two (2) Exhibition Passes
- Delegate Package
- Company Conference Pass Available
- Listed as Exhibitors in event program and conference website
- All benefits of the Virtual Exhibitor Package

SPRINT Robotics members: **US\$2,400**

Non-SPRINT Robotics members: **US\$4,800**

**Delegate Package**

The Delegate Package includes access to WiFi, morning and afternoon coffee breaks with snacks, two organized lunches, writing material, and coffee, tea, mints and iced water for all participants throughout the event.

**Company Pitch**

Book an In-Person Package and receive a five-minute speaking slot to present your company to the conference and virtual audience. An excellent opportunity to introduce your company, share your experience and involvement in the industry, as well as your capabilities, solutions and services.

**Company Conference Pass**

Company In-Person Conference Pass Available for US\$1,600. A unique pass, it is not registered under a personal name but under the company name. One employee at a time from the company can use the pass to attend the conference.

**Marketing & Brand Awareness**

Listed as Exhibitors in a social media post, event program and conference website.

## VIRTUAL EXHIBITOR

Exhibitors benefit from the in-person and virtual format of the conference: opening the exhibition floor to virtual exhibitors heightens exposure and attracts a larger global crowd. Through the variety of integration options, virtual exhibitors have an engaging way to capture leads and place their brand in front of asset owners and operators seeking I&M robotics solutions.

### Virtual Package

#### Virtual Booth

- Virtual booth with company profile (logo and description)
- Display promotional videos of products and services
- Include product and service documentation, downloadable for all attendees
- Create virtual meeting rooms to meet with partners or clients
- Connect with other attendees with messaging and live chat tools
- Help desk guidance and assistance with the platform

#### Benefits

- Two (2) Free Exhibition Online Passes
- Listed as Exhibitor on the event platform
- Listed as Virtual Exhibitor in event program and conference website

SPRINT Robotics  
members: **US\$175**

Non-SPRINT Robotics  
members: **US\$350**
