

WORLD CONFERENCE FOR INSPECTION & MAINTENANCE ROBOTICS 2022

March 29-30, 2022

InterContinental Singapore & virtual

**LEADING GLOBAL CONFERENCE
DEDICATED TO INSPECTION &
MAINTENANCE ROBOTICS**

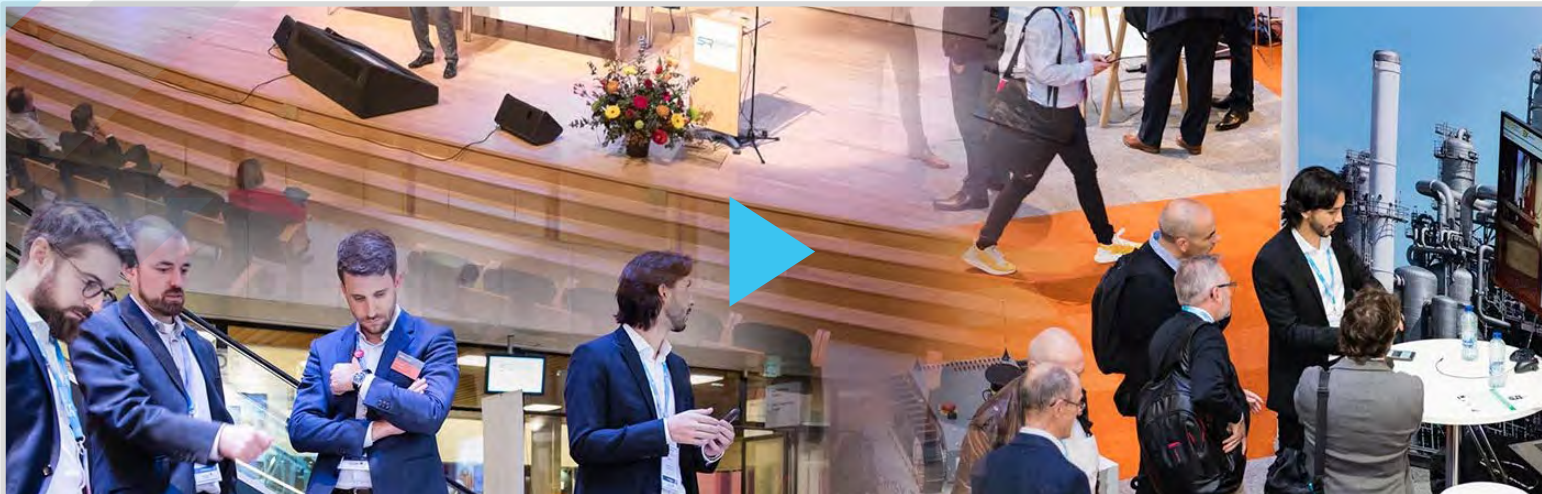

WHY SPONSOR

Take advantage of the opportunity to sponsor the SPRINT Robotics World Conference for Inspection & Maintenance Robotics 2022, the largest global conference dedicated to robotics for Inspection & Maintenance.

Sponsorship maximizes your exposure, shows leadership and demonstrates commitment towards the field use of I&M robotics. Our sponsor packages include many benefits such as event branding, free conference and banquet passes, dedicated meeting rooms and extra virtual visibility.

- Gain large scale access to your target market
- Create positive publicity and heighten visibility
- Heightened brand awareness
- Make your company more recognizable
- Show leadership in the industry
- Strengthen customer relations
- Improve the way you are perceived by your target audience
- Be able to build new partnerships and generate new leads

The **SPRINT Robotics World Conference for Inspection & Maintenance Robotics 2022** is an industry-specific event to endorse the large-scale application of robotics for Inspection and Maintenance. The two-day program includes international speakers, networking opportunities and an in-person and virtual exhibition showcasing and demonstrating robotic solutions from service and technology providers from the industrial inspection, maintenance and cleaning domain.

Exhibiting is an excellent opportunity to showcase your solutions, drive and generate leads, and gain large scale access to your target market. The SPRINT Robotics World Conference for Inspection & Maintenance Robotics attracts asset owners and operators, decision makers and thought leaders in Inspection & Maintenance robotics.
