

CALL FOR ABSTRACTS

Submit your abstract to speak at the SPRINT Robotics World Conference for Inspection & Maintenance Robotics 2023, the largest global conference for Inspection, Maintenance & Cleaning robotics professionals.

The SPRINT Robotics World Conference for Inspection & Maintenance Robotics will take place in Houston, Texas, USA on October 10-11, 2023. This flagship event features a dynamic two-day program of technical presentations, an exposition, robotic demonstrations and dedicated networking events.

KEY DEADLINES

March 2, 2023
Call for abstracts OPEN

April 30, 2023
Call for abstracts CLOSES

June 2023
Program announced

September 15, 2023
Presentations due

The World Conference for Inspection & Maintenance Robotics will focus on the use of robotics for Inspection, Maintenance and Cleaning. This table includes, but is not limited to, the following industries, segments and robotic applications:

INDUSTRIES

- Oil & Gas
- Renewable Energy
- Chemical
- Petrochemical
- Energy Distribution
- Water Infrastructure
- Space & Aerospace

SEGMENTS

- Global Adoption and Scaling
- Inspection & Maintenance Robotics
- Cleaning & Fabric Maintenance Robotics
- Workforce of the Future
- Robotic Fleet Management
- Machine Learning & Artificial Intelligence
- Data Management & Integration
- Remote Operations
- Subsea Operations
- Normally Unattended Facilities
- Disaster & Emergency Robotics
- Leak Detection-Surveillance & Monitoring

ROBOTIC APPLICATIONS

- Digital Twins & Robotic Simulation
- Pressure Vessels Cleaning & Inspection
- Heat Exchanger Cleaning & Inspection
- Storage Tank Cleaning & Inspection
- Pipelines & Process Piping Cleaning & Inspection
- Wind Turbine Blade Inspection & Maintenance
- Collaborative Robotics Operations
- Batteries & Electrical safety
- Power Lines & Right-of-Way Remote Inspection
- New Innovative Sensors & Robotics Technologies
- Standardized Test Methods & Test Facilities
- Codes & Standards

SPEAKER BENEFITS

Speaking at the SPRINT Robotics World Conference for Inspection & Maintenance Robotics gives you the unique opportunity to share your knowledge and communicate your vision. You will gain positive exposure as well as networking opportunities with the Inspection and Maintenance robotics community.

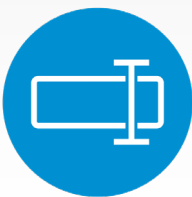

If your abstract is selected, you may obtain a special Speaker Conference Pass which grants you:

- Access to all conference sessions
- Access to the exhibition area
- Dissemination of your presentation after the conference (optional)
- Support from the speaker management team
- Free coffee, tea and lunches during the two-day conference, as part of the Delegate Package
- Free entrance to the SPRINT Robotics Conference Banquet

SUBMISSION PROCEDURE

If you would like to present at the World Conference for Inspection & Maintenance Robotics, start here by submitting your abstract to conference@sprintrobotics.org, with the email title CALL FOR ABSTRACTS submission –World Conference 2023
Please provide us with:

**a presentation
title**

**a short abstract
(max 250 words)**

**your biographical
information**

your picture

The abstracts will undergo an objective peer review. We will inform you in June 2023 if your abstract has been selected. The conference is being chaired by SPRINT Robotics board member George Williamson.

Submit your abstract today! Deadline: April 30, 2023

Questions? Please contact the SPRINT Robotics team at conference@sprintrobotics.org.
