

SPRINT Robotics Award for Scaling of a Robotic Solution

Nomination Form:

Company Name	
Contact Person	
Email	

Please answer each of the following questions as comprehensively as possible. When completed, please return this nomination form including attachments to: sprintrobotics@sprintrobotics.org

1. Describe the product/service for which the award should be presented.

2. List the various parties involved in scaling the product/service.

3. Describe the strategy (or changes in strategy) which encouraged the scaling of you product/service.

4. In which world region is your product/service used nowadays?

5. Can you provide us with growth percentages of the scaled product/service and what do you expect for future growth?

6. Other comments / remarks

7. List all attachments submitted together with your application, to demonstrate your activity (if applicable)

We strongly advise to send at least a short video clip of your solution so we can utilize this in the Awards promotional material.

8. References
